Ref: (a) MCBO 5060.1
(b) MCO P5000.18A
(c) MCO 5726.15
(d) MCBO 1710.1A

Encl: (1) Schedule of Parades, Ceremonies, and Other Recurring
Events for FY 04
(2) Quantico Marine Band Schedule and Non-availability for
FY 04
(3) Ceremonial Platoon Schedule and Non-availability for FY 04

1. Purpose. The purpose of this Bulletin is to publish preplanned ceremonial and other recurring Base-wide, Base sponsored and supported events, and Quantico Marine Band and Ceremonial Platoon periods of non-availability for FY 04.

2. Background. This annual Bulletin is published per the references to support long range planning by the Command, other MCCDC organizations, and tenant activities.

3. Discussion. Enclosure (1) of this Bulletin is a long range planning document, focused on parades, ceremonies, and other significant events for which the AC/S G-3 MCCDC/MCB, Quantico has the lead or staff cognizance. It should be used to deconflict competing preplanned events, but it is not a training, exercise, and employment plan, nor a master calendar of all events MCCDC organizations and tenant activities have planned for FY 04. The AC/S G-3 publishes weekly situation reports and letters of instruction to address events identified in enclosure (1) with greater detail as they approach. Enclosures (2) and (3) identify preplanned Quantico Marine Band and Ceremonial Platoon commitments, respectively, around which all other events requiring musical support and/or the MCB, Quantico Color Guard should be planned.

31 Jul 03

4. Information. The G-3 POC is Capt D. Barrett, Head, Current Operations Branch, at 703-784-2860.

5. Action

a. Division Directors, COs, and Heads of Tenant Activities. Refer to the enclosures when conducting long range planning for events on Base and those requiring musical support and/or the MCB, Quantico Color Guard.

b. AC/S G-3

(1) Publish updates to this Bulletin as necessary.

(2) Publish the Bulletin for FY 05 not later than 1 July 2004.

A handwritten signature in black ink, appearing to read 'D. L. Wright', is positioned above the printed name and title.

QUANTICO MARINE BAND SCHEDULE AND NON-AVAILABILITY FOR FY 04

1. The Quantico Marine Band accomplishes its mission, as required by references (b) through (d), by providing musical support for Command-sponsored ceremonies and functions as well as for community relations' events and Marine Corps recruiting programs. Additionally, the Quantico Marine Band members must accomplish required unit sustainment training, marksmanship, PFT, and MOS training requirements. Due to the large volume of retirement requests aboard MCB, Quantico, the Quantico Marine Band supports three evening parades and four colors ceremonies at which a Marine may retire. Requests for individual retirement ceremonies will be considered by exception for O-6 and above, CWO-5, E-9 and GS-15 and above. Requests should be made 30 days in advance of the event. The nature of the Quantico Marine Band mission requires that scheduling be flexible. However, a formally published schedule enables the Quantico Marine Band to provide better support and coordination. This enclosure is provided for information and planning purposes.

2. Division directors, COs, and heads of tenant activities should use this information to plan and coordinate the use of the Quantico Marine Band in all military ceremonies and official functions. Multiple events may be scheduled on the same day, depending on the requirements for each. The A/CS, G-3 will resolve operations scheduling conflicts.

3. The Band Officer, Quantico Marine Band, will coordinate and schedule additional commitments, as required.
